# Packaging Options

## *Signature SharityBOXX mailer*

*This is a ready-to-ship box, but is also perfect for gifting direct as there is no wrapping needed! You can personalize it by adding a custom greeting sign with or without your company logo. The greeting sign will be placed on the inside lid of the box.*

## *Pine Wood Specialty BOXX*

*Want to make your gift extra special? Choose one of our high-end pine wood boxes for gifts that make a statement! Select a ribbon and greenery for a finishing touch or engrave your logo on the lid for brand recognition!*

## *Top Tuck Gift BOXX*

*These white and natural kraft gift boxes are perfect for large events and also a great option if you don't think your recipient will re-use the container. This box allows you to focus your budget on the gift's contents, yet still make a beautiful impression when dressed up with some ribbon and a tag or greenery!*

## *Jute Tote Bags*

*These tote bags have a soft touch yet they are strong and durable! A fun way to change up the typical gifting vessel and make your gift unique. Recipients love these as they can re-use the bag for shopping or travel. Tie ribbon on the handle and add a tag with your logo to custom branding.*

*\*Have something else in mind? We can source other packaging as well to fit your needs!*
